## Uniform Policy

The Governors have a policy on school uniform which is to be followed by all students. The policy is based on the following principles:

- Students are to dress appropriately for the formality of attending Bishop Stopford School.
- Students are to have a common approach to school clothes and thereby reinforce a shared sense of 'belonging'.
- Students are expected to comply with the simple common sense code, which makes up the school uniform.

Item	Years 7 - 11	Notes
Trousers	Black, tailored, formal and full length.	Not black denim, Chinos or tight fitting (eg lycra). No low fitting trousers.
